

## LaGrange Chapter of CSI Inducts New Members

The LaGrange Chapter of The Continental Societies, Inc. (CSI) held an Induction Ceremony on Saturday, November 9, 2019, to welcome five (5) new members. The special Ceremony was held at 5 P.M. at the William Griggs Recreation Center in LaGrange, Georgia.

The ceremonial Induction included the traditions of the Continental Pledge, the Pinning of Ribbons, the Introductory Prayer, and the Continental Toast. The newly inducted members joined the existing members for the singing of the Continental Song.

The formal Induction Ceremony emphasized the organization's efforts to promote the welfare of children: with each new Inductee pledging whole-hearted support.

Following the Induction Ceremony, the new members were showered with gifts, and a reception was held honoring them, along with their guests. The reception was in conjunction with the Chapter's Annual Scholarship Fundraiser Banquet.

New Members are (standing left to right): Tracee Williams, Pam Huff, Carol Smith, Sharon Dunson, and LaKreasha Abner.
